

**THE ARCADE** is the first new-build apartment block in the City of London, with 100 homes and a gym.

## A first for London

# Cruise liners will glide into a glamorous wharf with new homes

Old docks will be reborn and with lessons learned, showpiece homes will become part of a new district for Greenwich, reports **David Spittles**

London has been reborn. The old docks have been transformed into a new district for Greenwich. The first new-build apartment block in the City of London, with 100 homes and a gym, is the **The Arcade**, a £150m development by the **Arden Group**. The building is a prime example of the new-build apartment boom in London.
